Trends in Postgraduate Training

- Expansion from one “track” to multiple tracks
- Multiple cohort admissions per year
- Growth across all domains: primary care, specialty care, and in-patient acute care.
- Growth in psychiatric/mental health programs within primary care settings
- Development of formal academic partnerships
- New emphasis on telehealth/virtual care

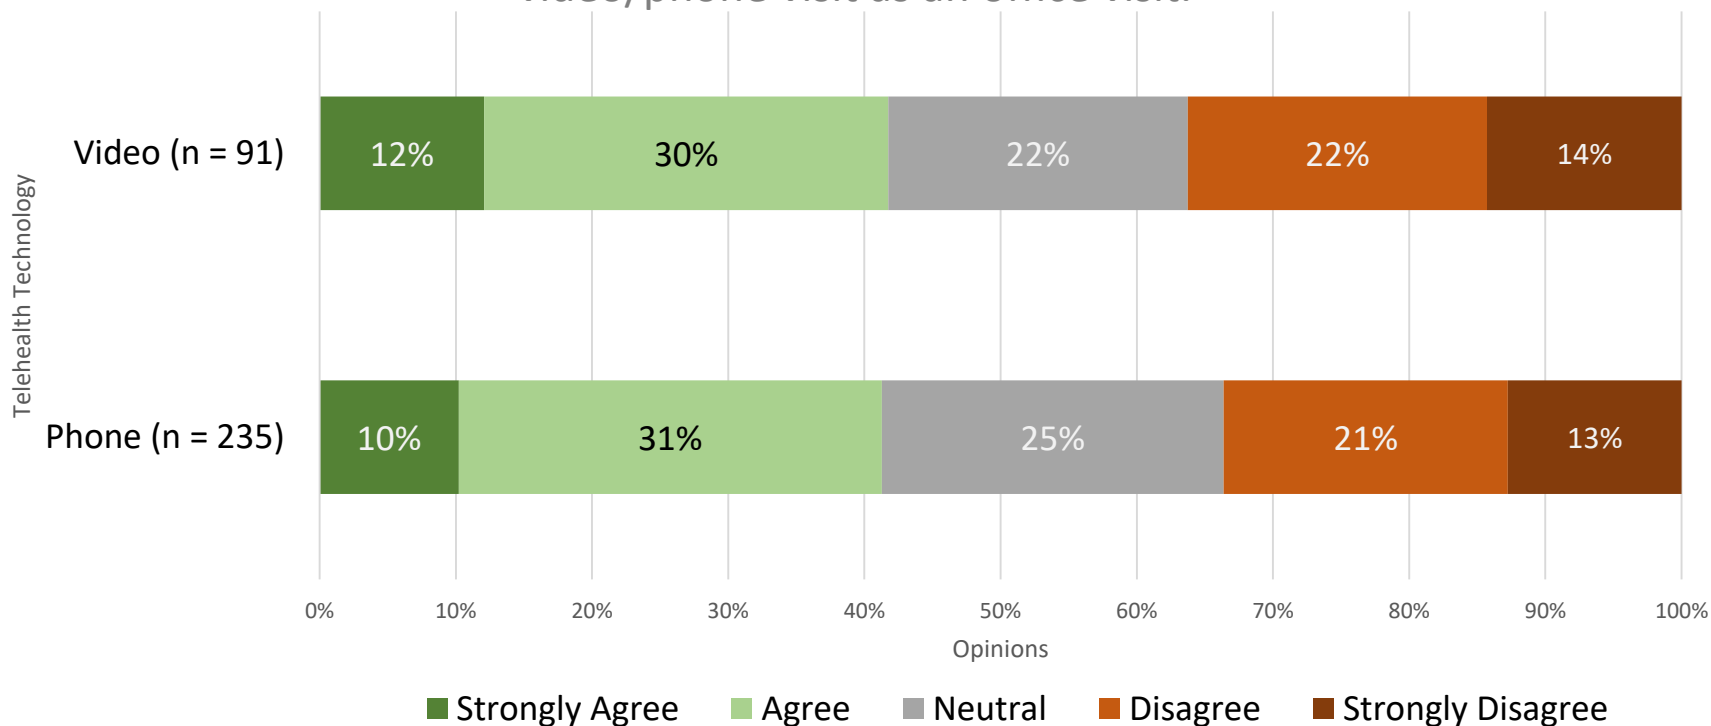

....AND THEN CAME THE SPRING OF 2020

What do you (clinicians) think of quality of care?

Considering the circumstances, my patients receive the same quality of care during a video/phone visit as an office visit.

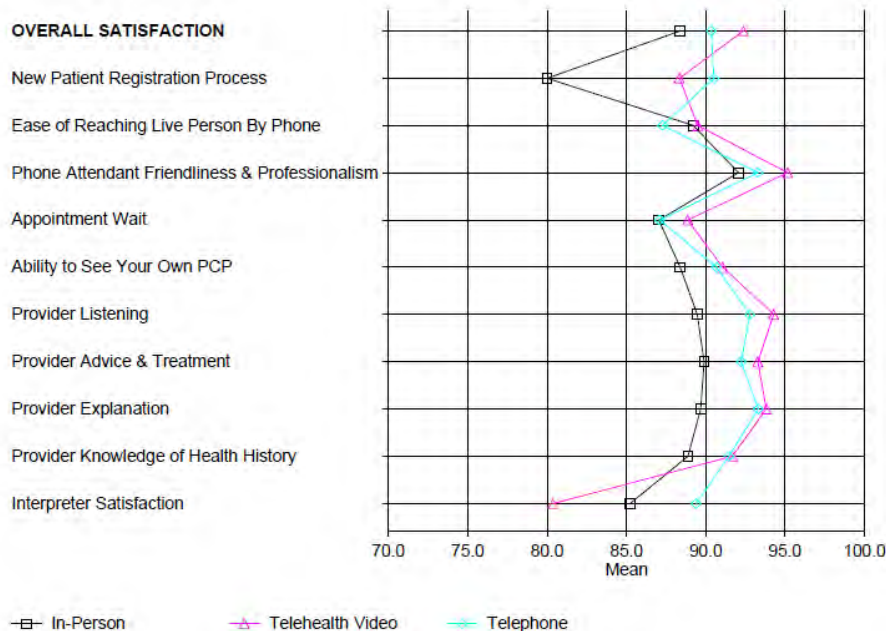

What do you (patients) think about your care?
