

Management For **Nurse Practitioner and Physician Assistant Programs**

PROCEDURES ▪ AFFILIATION AGREEMENTS ▪ CONFERENCES ▪ SCHOLARLY ACTIVITIES
DEMOGRAPHICS ▪ CURRICULUM ▪ CLINICAL ACTIVITIES ▪ ROTATION SCHEDULES

A robust, flexible system for streamlining administrative tasks and enhancing clinical education.

Our comprehensive suite allows programs to collect clinician demographic information and track their day-to-day activities, create and manage clinical rotation schedules, build a didactic calendar, record case logs and assessments, and much more!

New Innovations software and services have been utilized by a wide range of medical professionals, including visiting students, medical students, residents, and fellows. With over 25 years of experience, we can help you prepare your clinicians for transition into practice.
