Transforming Advanced Practice Postgraduate Training Stronger Together: Setting the Standards

Pre-Conference Workshop: Saturday, July 22, 2023 (1:00–5:00 p.m. EST)

Preceptor Intensive Workshop*

Presented by **Radha Denmark**, DNP, FNP-C, FHM,
Director of Advanced Practice Education & Professional Development, University of New Mexico Hospital

Description:

Learning in the clinical setting represents the core of advanced practice education. Clinical faculty guide APP learners to apply their acquired knowledge and skills in the care of real patients within the concrete time constraints and resources that we all practice. This interactive workshop provides practical tools to support clinical faculty as they train the next generation of APP clinicians.

Learning Objectives:

By the end of the workshop, the learner will:

1. Create a clinical expectations guide for APP learners
2. Formulate and deliver formative and summative learner feedback
3. Manage the competing demands of a learner in the busy clinical setting
4. Assess and develop a learning plan for a struggling learner
