www.cigna.com

Cigna Healthcare is an advocate for better health through every stage of life. We guide our customers through the health care system, empowering them with the information and insight they need to make the best choices for improving their vitality.

www.crossroadsgroup.com

The mission of the **Crossroads Group** is simply to help organizations hear and respond the voice of the customer/stakeholder and report findings in manner which facilitates effective follow-up action at all levels (from senior leadership to front-line staff).

Initially specializing in healthcare (and now serving almost any industry), the Crossroads Group has designed and implemented hundreds of client and employee survey projects over fifteen years. We currently administer over a hundred ongoing survey projects across the country and enjoy a client-retention rate of over 90% for patient and employee survey projects. This loyalty can only result from personalized service (we listen to our clients), a quality survey product at all levels (from questionnaire design to reporting), combined with a great value in terms of cost. We also adapt to the ever-changing needs of our clients.

The Crossroads Group also is experienced in providing services for pharmacies, specialty care centers (e.g. Nephrology), Emergency Rooms, and hospitals. The Crossroads Group also is experienced working with health plans and health plan surveys and has provided services in other industries such as education, residency programs, and banking and has implemented several custom surveys to assess special programs or grant-funded projects.

AVON, CT • MIDDLETOWN, CT

<https://minuteman.com/>

Minuteman Press has just celebrated its 20th Anniversary in Middletown, CT. We have been providing high quality printing and copying to the Middlesex County since 2002.

At Minuteman, we specialize in full color instant and commercial offset printing and now have the latest technology in digital printing. Our state-of-the-art Xerox digital presses can turn around your job when you need it. We also run an eight color Epson wide format sign and poster printer along with our Kip blue printer to copy architectural drawings. We are one of the few printers in the state who can scan and copy wide format color prints.

www.nimaa.edu

The **National Institute for Medical Assistant Advancement (NIMAA)** is a nonprofit education institute accredited by The Accrediting Bureau of Health Education Schools (ABHES). NIMAA's affordable and comprehensive 8-month training program was established in 2016 to train Medical Assistants to work effectively in today's high-performing team-based primary care settings and includes 720 hours of didactic learning, onsite skills labs, and synchronous seminars, along with a 240-hour clinical externship. The program gives students real-world experience and prepares students to successfully graduate and pass a national credentialing exam. NIMAA's valuable externship partner organizations located in 14+ states across the country provide a team-based clinical setting in which students gain the competencies and knowledge necessary to enter the medical assisting profession as highly qualified members of the care team. For more information on the NIMAA program, please visit www.nimaa.edu.

www.nuance.com

Nuance Communications is a technology pioneer with market leadership in conversational AI and ambient intelligence. A full-service partner trusted by 77 percent of U.S. hospitals and more than 75 percent of the Fortune 100 companies worldwide, Nuance creates intuitive solutions that amplify people's ability to help others. Nuance is a Microsoft company.

www.pri-med.com

Pri-Med's Primary Care Bootcamp for NPs and PAs is an on-demand curriculum created for early-career clinicians that condenses years of on-the-job training into 41 courses across 2 distinct tracks. Topics covered include essential practice management skills and how to diagnose and treat the top 20 chief complaints. Clinicians will build confidence and hone skills with the support of nineteen faculty members who understand the unique challenges APPs face, a library of downloadable resources, and the opportunity to earn up to 21.75 CME/CE credits. Learn more and preview a course at bootcamp.pri-med.com.

www.queeng.com

Queen Consulting Group, A Talent Group Company, is a KLAS ranked award-winning national provider of IT staffing services. Whether it's consulting, consult-to-hire, or contingent searches, we help our clients get their critical jobs done while helping our candidates build their careers.

Founded in 2000 and headquartered in Boston, we employ more than 230 IT professionals. Now in our third decade, with extensive experience and an expansive network of experts throughout the U.S., we remain dedicated to finding the best matches between our client opportunities and our candidates.

Healthcare and life science specialties account for approximately 80% of our business; other sectors include financial services, state government and retail. We staff all levels from analyst to executive, on both the technical and functional side. Queen is committed to increasing diversity and inclusion across the IT industry; 43% of our consultants identify with a racial/ethnic minority group.

Recent industry honors include Expertise's 2021–2023 Best Employment Agencies in Boston; Black Book Research's 2021 & 2023 Top Epic Implementation Consultants; and Staffing Industry Analysts' 2020 Fastest Growing U.S. Staffing Firms. To learn more about how Queen Consulting Group can help meet your IT staffing needs or to explore exciting career opportunities, visit our website at www.queeng.com. We look forward to connecting with you!
